

KK

KUNDAN KUMAR SAHANI

Student

PROFILE

A dedicated and goal-oriented Computer Science Engineering student at ITM University, Gwalior, with a strong foundation in programming, full-stack web development, and UI/UX design. Experienced in developing academic and professional projects using technologies like Java, Spring Boot, Python, HTML, CSS, and WordPress. I'm passionate about solving real-world problems through technology — from building intuitive user interfaces to developing data-driven backend systems. I aim to grow as a full-stack developer and contribute to innovative software solutions in the field of web and AI-based applications.

Experience

AdRyter Advertising - Intern

Gwalior, Madhya Pradesh

07/2024 - 08/2024

- Collaborated with the WordPress development and UI/UX design teams to design interactive company websites.
- Designed a UI/UX prototype for an Attendance Management System using Figma, focusing on simplicity and accessibility.
- Gained hands-on experience in website structure, responsiveness, and design principles.
- Assisted in maintaining the company's main website and improving its SEO visibility.
- Improved understanding of digital marketing workflows, client communication, and teamwork in a real-world environment.
- AdRyter is a marketing and advertising company specializing in digital branding and web development.
- Responsibilities & Achievements
